

Offer an easy return service throughout Europe with International Shop Return Service!

We are pleased to introduce you a new service created for effective cross-border returns management.

International ShopReturnService offers the perfect solution for managing returns across Europe: you can create your return in a dedicated web portal or, alternatively, integrate the portal's functionality within your webshop via API. The portal, which is optimised for mobile devices, is available in 19 European languages and allows you to obtain a return label in a few simple steps.

The main benefits:

- Easy to implement and use solution
- Customisable portal with your corporate image and useful information such as the reason for return
- Return possible throughout the European network of more than 50,000 Parcel Shops
- Independent return management for your customers
- Control of requested returns
