

**Installatiehandleiding** *voor*  
**Amazon**

# Installatie

1. Ga in je GLS account naar 'Instellingen' > 'Alle integraties'
2. Klik op 'Koppelen' onder het Amazon logo
3. Op de volgende pagina klik je op 'Your Shop Backoffice'

The screenshot shows the GLS 'Alle integraties' (All integrations) page. The left sidebar contains navigation options: Verzenden, Statistieken, Instellingen (highlighted), Support, and Uitloggen. The main content area has three tabs: 'Alle integraties' (selected), 'Integratie details', and 'Key beheer'. The Amazon integration is shown with the Amazon logo and the following details:

- Installatie**
  - Klik "**Your Shop Backoffice**" onder aan deze pagina en Log in op uw Seller account
  - Geef machtiging tot toegang
  - Installatie compleet

Below the list, it says: "Open de [Installatiehandleiding](#) voor aanvullende configuratie stappen."

At the bottom of the page, there are three buttons: "Download Installatiehandleiding", "Terug", and "Naar Webshop Backoffice".

#### 4. Login op je Amazon Sellercentral

5. Rond de installatie af door GLS toegang tot je verkooppartneraccount en gerelateerde gegevens te geven. Doe dit door het vinkboxje voor 'Ik geef Amazon toestemming om...' aan te klikken en op 'Confirm' te klikken.

### Authorise GLS

**GLS requires access to view and edit the following data related to your Seller Partner account:**

---

Direct-to-Consumer Delivery ⓘ

---

Note: Authorising an application gives an application the ability to view or edit information about your Amazon business and take action on your Selling Partner account.

Note: Any use of your data by GLS is subject to GLS's own Terms of Use and Privacy Notice. GLS may share information with other parties or applications. For more information, please refer to GLS's Terms of Use or Privacy Notice. You can review and change your authorisations at any time from the [Manage your Apps page](#)

I direct Amazon to provide GLS access to my Selling Partner account and related data. I am responsible for any actions taken by the application.

Once you confirm, GLS will be authorised to access selling data on your behalf.

## Handmatige import van Amazon orders

Om Amazon orders in je GLS omgeving te importeren, ga je naar 'Verzenden' > 'Importeer uit Shop' en klik je op 'Start import'.

The screenshot displays the GLS web interface. On the left is a dark blue sidebar with the GLS logo and navigation links: 'Verzenden' (with a truck icon), 'Statistieken' (with a bar chart icon), 'Instellingen' (with a gear icon), 'Support' (with a speech bubble icon), and 'Uitloggen' (with a door icon). The main content area has a light blue background and is titled 'Importeer shop zendingen'. Below the title is a table with two columns: 'Shop' and 'Shopnaam'. The table contains one row for 'Amazon' with the shop ID 'Amazon A3PNJAV4CVI5V1'. To the right of the shop name is a green toggle switch. Below the table is a yellow button labeled 'Start import'.

Shop	Shopnaam
Amazon	Amazon A3PNJAV4CVI5V1

# Automatische updates tussen GLS en Amazon

Om de trackingcode van een zending zodra een label aangemaakt is terug te sturen naar Amazon ga je naar 'Instellingen' > 'Integraties' > 'Integratie details' > 'Amazon' waarbij je vervolgens 'Update de trackingcode in de shop' aanvinkt. De orderstatus wordt door Amazon bijgewerkt naar "verzonden" wanneer de track & trace code wordt verzonden.

The screenshot shows the GLS user interface. On the left is a dark blue sidebar with the GLS logo and navigation links: Verzenden, Statistieken, Instellingen, Support, and Uitloggen. The main content area has a light blue header with three tabs: 'Alle integraties', 'Integratie details' (selected), and 'Key beheer'. Below the tabs is a table of integrations. The table has columns for 'Integratie / Shopnaam' and 'Actie'. One integration is listed: 'Amazon: Amazon A3PNJAV4CVI5V1'. To its right are links for 'Verberg details' and 'Verwijder'. Below the table is a form for editing the integration. It has a section for 'Algemeen' with a text input for 'Shopnaam (Verplicht)' containing 'Amazon A3PNJAV4CVI5V1'. There are two toggle switches: 'Update de trackingcode in de shop' (checked) and 'Shop is actief' (checked). Below the form is a section for 'Activeer Verzendregels'. At the bottom right of the page are two yellow buttons: 'Update' and 'Voeg een shop toe'.
